

Elevating Your Corporate Responsibility Narrative with Cyrius

In Australia, corporate responsibility involves addressing diverse priorities set by governing boards. Cyrius presents its ESG (Environmental, Social and Governance), DEI (Diversity, Equity and Inclusion) and Reconciliation report creation services, focusing on human rights, governance, ethical practices, and environmental management.

Key areas covered

- Tailored ESG and DEI reporting components
- Indigenous Reconciliation statements and action plans (RAPs)
- Sustainability reports and plans
- Modern Slavery Statements.

What's included

Modern Slavery Reporting:

- Risk Assessment
- Compliance Support
- Supply Chain Transparency

Sustainability Reporting:

- Carbon Footprint Analysis
- Circular Economy Strategies
- Renewable Energy Integration

Indigenous Australian Reconciliation Plans:

- Cultural Competence Training
- Stakeholder Engagement
- Reporting on Reconciliation Actions

Integrated ESG Reporting:

- Holistic Reporting
- Metrics and KPIs

Diversity, Equity and Inclusion

- Strategies
- Reporting
- Publicising
